Draw your project to scale using the grid outlined on this page.

Include all measurements taken to be sure your drawing is accurate.

Include walls, cabinet panels, finished edges, appliances, and any cutout needed for sinks and/or cutouts. Label each item.

You may use more than one page for your project; please keep all planning sheets together.

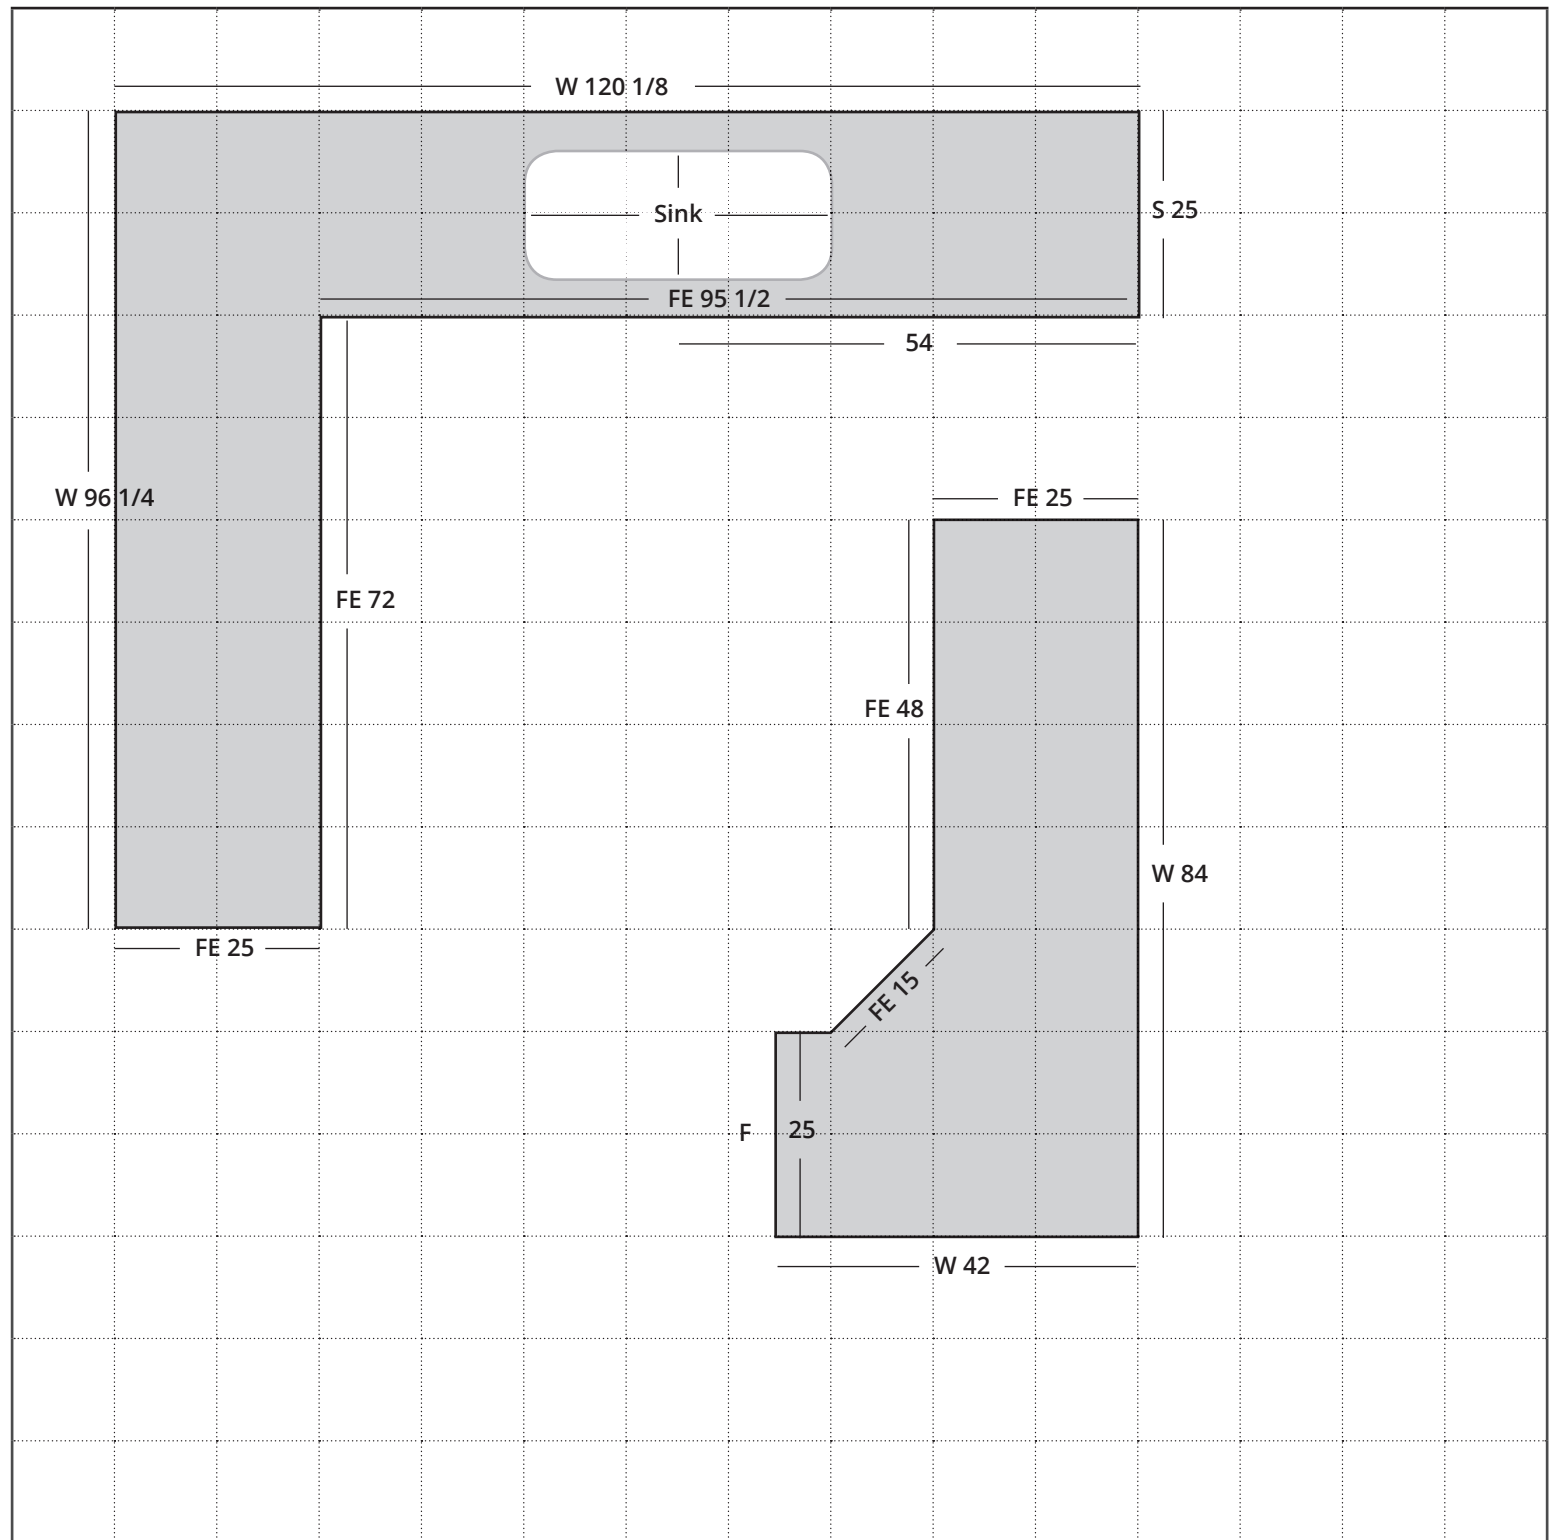

If a backsplash is desired, include how tall you would like it. We recommend 4" for kitchens and 3" for all other areas.

If you have any questions about measuring, feel free to email randy@granitediy.com

KEY:

- F = fridge
- S = stove
- FE = finished edge
- BS = backsplash (include height)
- W = wall
- C = cabinet

1 square = 12"x12" = 1 square foot
